

# Scheduling101

An ABC Workforce Development Training Class

**Presented by:**  
Tim Conlan  
VP of Commercial Operations  
Reliant Roofing, Solar, &  
Hurricane Shutters

**Some things you didn't know you didn't know about scheduling.  
Ever ask yourself these questions?**

- Does the perfect schedule exist?
- Can I have too many phases?
- How many critical paths can there be?
- Does anyone actually follow the Master Schedule?

This is a perfect class for new hires or those who want a refresher course or anyone who wants to gain better insight to the finer details regarding scheduling.
