Bring your Character Strengths to Life

Janet Masterson

The VIA Institute on Character helps people change their lives by tapping into the power of their own greatest strengths. Once you pay the registration fee, you'll be invited to complete an online survey from the VIA Institute on Character. You'll receive an in-depth report exploring your personal character strengths before our October 20 meeting. Janet Masterson, Dana B. Kenyon Company, will lead a conversation about the VIA survey results. You'll get to know yourself – and your peers – a lot better!
