Senior Project Manager
Dana B. Kenyon Co.

Enhance your submittal review process by attending this comprehensive class that focuses on the entire submission process from material submittals on the GC side as well as the subcontractor and vendor side. All parties involved in the submittal process will walk away with a clearer understanding of what should be submitted, how to submit, and in what format. Additionally, learn methods on how to streamline the process and reduce the need for resubmissions. This is a perfect class for new hires and those who want to perfect and polish their submission procedures.
